Report Red Army Holding Firm In Defense South Of Kharkov

MOSCOW PRESS WARNS OF ATTACKS

By NATALIA REINE
(U. S. Staff Correspondent)

MOSCOW, April 5.—Heavy tank and artillery engagements raged today south of Izyum as the Germans resumed counter-offensive operations against Soviet defense lines south of Kharkov.

The Red Army was reported holding firmly against the new blows, aimed at gaining a bridgehead on the east bank of the Donets river for a possible new drive on Voroshilovgrad, as the Moscow press warned that the Nazis are massing for a large-scale assault.

The Soviet high command reported at noon that 200 more Germans were killed, bringing to 1,900 the total of German slain in this sector in 24 hours, when a French attack by tanks and infantry was repelled. Soviet artillery destroyed six tanks.

Nazis Launch New Blow

German troops simultaneously launched a new blow against Red army outposts in the Belgorod area, 50 miles north of Kharkov, but they were pressed back by a determined counter-blow which cost them heavily in men and material.

OPA Strikes At Black Markets In Designating Ceiling Prices For Meat

By PHILLIPS J. PECK
(U. S. Staff Correspondent)

WASHINGTON, April 5.—The office of price administration today issued new retail price ceilings on beef, veal, lamb and mutton in an effort to outlaw the exorbitant "black market" prices which millions of consumers have been paying for meat in the past 12 months.

At the same time, the OPA announced—despite the current bitter controversy over grade labeling of canned goods—that the new prices will be based on established grades of meat, assuring consumers of receiving the exact quality of meat for which they are charged.

Effective April 15

The new ceilings become effective April 15. Similar specific cents-per-pound maximums went into operation on pork April 1.

GIRAUD REPORTS ENEMY "ON RUN" IN NORTH AFRICA

General Returns From Gabes, Tunisian Battlefield, Reports Victory Certain

(International News Service)
NORTH AFRICA, April 5.—Returning from an inspection trip in Tunisia, General Henri Honoré Giraud declared today that "we are on the road to victory."

Accompanied by Col. Devineck, his chief of staff, Giraud expressed satisfaction at what he had seen and said over the radio: "I have just returned from Gabes, first large city in Tunisia which has been freed. With the Eighth Army we believe that the capture of Gabes was the first blow struck, not only for the liberation of Tunisia, but of all Africa."

"From Gabes we went to the center of the Tunisian battlefield. Everywhere the eye went there were Americans, French and British, all with the same conviction and the same enthusiasm. Now we have achieved a goal and are talking as soldiers. All in all, we've got the enemy on the run and we are on the road to victory."

War Bond Drive Workers To Meet

All workers in the war bond drive residing in the first or second ward are urged to be at an instructional meeting which will be held Tuesday night, April 6, in the senior high school, it was announced today by John J. Maher, chairman of the city drive.

"This will be one of four instructional meetings to be held, but it will be the only meeting for the first and second ward workers," said Mr. Maher. "The other three meetings will be for workers in the other parts of the city. Because this will be the only instructional meeting for the workers in the two wards mentioned, it is vitally important that every one of them be present. At the meeting the type of bonds to be sold will be discussed, the plan of selling and other matters of information given out."

F. B. Sankey, division chairman, and W. M. Clark will be in charge of the meeting.

Aircraft Carrier 'Cabot' Launched

(International News Service)
CAMDEN, N. J., April 5.—The aircraft carrier U. S. S. Cabot today was added to America's steadily growing navy following its launching at the Camden yards of the New York Shipbuilding corporation.

Originally planned as a cruiser, the Cabot was converted to a carrier in conformance with a change in the naval construction program calling for more ships of this type in the shortest time.

The British initiated the artillery barrage shortly after midnight by opening fire into German position on the French side of the channel.

When the big guns began shelling sirens wailed a warning to the populace and shortly thereafter there followed the ear-splitting crash of German shells.

CHAS. H. YOUNG

New Castle community was shocked Saturday afternoon by the sudden death of one of its leading attorneys and active citizens, in the passing of Charles H. Young, whose death occurred just as he was entering his home at 315 East Wallace avenue about 3:30 o'clock.

Mr. Young had not been in the best of health for some time but was thought to have fully recovered and just before the time of his death had been out in the yard about his home. He was just about to enter by the back door when he collapsed and was dead before a physician arrived.

The deceased has been a life long resident of Lawrence county having been born and reared on a farm near Enon Valley. He was the son of the late Wm. Taylor and Pauline Young, being born July 16, 1876, and would have been 67 years of age in July. He was the last of his immediate family, his parents having passed away a number (Continued On Page Six)

Supreme Court Denies Appeal In Treason Case

(International News Service)
WASHINGTON, April 5.—The supreme court today denied the petition of Max Stephan, Detroit restaurant keeper, for review of his conviction on charges of treason in aiding the escape of Peter Krug, German flyer, who escaped from a prison camp in Canada.

Stephan, who was sentenced to hang, contended there were errors in his trial, and maintained that the overt acts charged against him did not support an indictment for treason.

'Shock Coming For Japanese'

"Terrible Shock" For Japs Forecast By U. S. Minister To New Zealand

(BULLETIN)

WELLINGTON, N. Z., April 5.—A "terrible shock" for the Japanese was forecast today by American Minister Walter Nash upon his return from Washington.

He said the shock would come when everything which is now being built up by the United Nations—and he emphasized that they are building up—is unleashed against the Japanese.

The American minister scouted the idea that the Allies are fighting merely a holding war in the Pacific, and explained that a tremendously worthwhile job is being done by the United Nations Pacific Council.

China, he stated, has not been ignored. He said the real problem there was one of delivery and not of allocation. Chinese representatives with whom he has spoken, Nash said, recognized the magnitude of the problem.

Nash added that Russia, China, Britain and the United States must get together now on post-war problems and not wait until after the war. Otherwise, he added, the problems will be multiplied.

Bulgaria Now Fears Invasion

(International News Service)

LONDON, April 5.—Invasion rumors have spread to Bulgaria, vassal state of Nazi Germany, reports from the continent said today.

"Authoritative" sources in Sofia, according to a Daily Telegraph dispatch from somewhere in Europe, said that a recent meeting Hitler and King Boris II discussed defense of the Balkan peninsula against invasion.

It was expected now, these sources said, that Bulgaria will fully cooperate in military action with the Nazis despite pro-Russian sentiment.

SOLDIER BITTEN BY DOG FOUND

(International News Service)

PITTSBURGH, April 5.—The nationwide search for the soldier who was bitten by a rabid dog in downtown Pittsburgh a week ago came to an end today as Terentio Scarpino, 23, of Pittsburgh, reported to health authorities that he was the man for whom they were looking.

Scarpino, who is home on furlough, said he learned of the search through radio broadcast. He explained that he had not been alarmed over the dog's attack since the skin on his leg had not been broken.

A sailor and a civilian, who also were bitten by the dog, are taking anti-rabies treatments. The search for the soldier started after an examination showed t at the dog was rabid, and fears mounted that the bite might have fatal results unless the soldier was found and treated.

W. KEITH MCAFEE NAMED PRESIDENT

Meeting in The Castleton hotel Saturday at a luncheon, representatives of thirty manufacturing industries of New Castle, Wampum, Bessemer, Hillsville and West Pittsburg formed the New Castle Manufacturers Association. Officers were elected and monthly meetings were arranged.

Officers of the new association include the following: President W. Keith McAfee of the Universal Sanitary Manufacturing company, vice president, James M. Smith Jr. of the Shenango Pottery, secretary, John W. Miller of the New Castle Refractories company; treasurer, Paul Forney of the American Cyanamid company. Directors named were Russell Forney of the Forney Machine Co., Edward L. Brunce of the National Radiator Co., Edward J. Flaherty of the Johnson Bronze Co., Clark Johnson of the United Engineering and Foundry company, and H. J. Morrison of the Aluminum Corporation of America.

The purpose of the association is for the exchange of ideas aiding in the war effort, a solution of problems common to all manufacturers, a better understanding of industrial relations and the promotion of the general welfare of the communities in which the manufacturing plants are located.

New Destroyer, "The Sullivans," Added To Fleet

(International News Service)

SAN FRANCISCO, April 5.—A gallant family had the homage of day, and the U. S. fleet had a new destroyer, the U. S. S. The Sullivans—named for the five brothers who died together when the cruiser Juneau was sunk in the south Pacific last November.

The proud and grieving mother of the boys—Mrs. Thomas Sullivan of Waterloo, Iowa, stood on a building-covered scaffold at the Bethlehem yard in San Francisco yesterday, and sent the new war-ship into the fight in which she had given her sons.

With her husband and daughter at her side Mrs. Sullivan made a dramatic plea to those on the home front to keep the faith with the nation's fighting men.

"Please stay on the job," she appealed. "And please remember that you can end the war and bring the boys back home quicker by just working harder and steadier."

Blistering Raid Made On Naples By U. S. Bombers

Harbor Is Blasted By Hundred Flying Fortresses, It Is Revealed

AMERICANS PUSH AHEAD IN TUNISIA

By ROBERT G. NIXON
(U. S. Staff Correspondent)

ALLIED HEADQUARTERS, In North Africa, April 5.—The first assault against the Italian mainland by huge four-motored Boeing flying fortresses of the United States Army Air Force was disclosed today in official announcement of a devastating 15-minute attack on Naples.

Ten ships—two of them big liners—suffered direct hits and "terrific devastation" was wrought to harbor installations when a force of nearly 100 fortresses streamed across the Mediterranean.

The raid on Naples was directed by Major Gen. James H. Doolittle, commander-in-chief of Allied Air Forces in North Africa, holder of the congressional medal of honor for his spectacular attack on Tokyo and three other Japanese cities on April 18 of last year.

The raid was concentrated within a period of only 15 minutes. In this brief space of time, two hundred tons of bombs were unloaded on the great Tyrrhenian seaport.

All Return Safely
The "Fort" made their flight without any fighter escort. All returned safely.

One of the liners swinging at anchor in the Naples roadstead was set on fire. A repair ship on three submarines and a cluster of small vessels were hit in addition to the ten big ones. Seven merchant ships, a floating dock, another liner and two escort vessels also suffered varying degrees of damage.

Hits were scored and fires started on the quays and the industrial area paralleling the docks. The drydock area also was heavily blasted.

The new assault on Naples, previously a target of Liberators and British bombers, took place as American armored and infantry forces along the Gafsa-Gabes road in Central Tunisia smashed persistently at German defense positions after crushing a new counter-attack by Nazi Field Marshal Erwin Rommel.

An Italian communique broadcast by the Rome radio admitted the Naples raid and said that considerable damage was done. The communique reported 221 persons were killed at Naples. Raids also were made against Palermo and Syracuse in Sicily and Carloforte off the island of Sardinia. The Italians said:

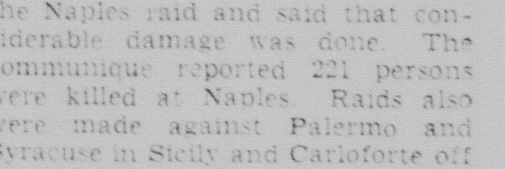

Two ships were set afire and direct hits were scored on several others when Mitchell B-25 bombers attacked a convoy in the Sicilian Straits and enemy shipping off Sardinia.

Some prisoners were taken by the Americans when they beat off the German and Italian counter-thrust east of El Gattler.

Active patrolling by units of the British First Army pressing eastward in the north toward the naval base of Bizerte was reported.

PA NEW OBSERVES

Public Square is beginning to "green up" for the spring, and soon will be resplendent in its spring garb. Much work has been done on this plot in past years, and results are now beginning to be seen.

U. S. Rubber Director Jeffers warns that the crisis in the rubber situation has not passed. Conservation of rubber is more than ever necessary at the present time, he says.

New Castle and Lawrence county men and women are preparing for the second war bond campaign, which will be launched next week. The greatest number of workers in any campaign is scheduled to make the drive in Lawrence. The aim is to reach every person in the county for purchase of bonds in this second nationwide drive.

With weather conditions permitting progress on the work, the connection between Jefferson street and Mill street, paving of which was started last fall, should be ready for use in a few weeks. It is expected to be an aid to traffic through the city.

Try this on your ration book. To get the most rationed food for the least points, find out what fraction of a point per ounce a can costs by dividing the points required by the number of ounces in the can. Then you can tell which size can to buy for greatest point-value. For example, 11 ounces of creamed corn cost 8 points; 8 divided by 11 is .727. But a 17-ounce can is 11 points. 17 divided by 11 is .647, which means, of course, more can per point than the small can contains.

Battle Possible On Salary Issue

Amount Of Increases In Teachers Salaries May Become Issue

THREE CORNERED CONTEST THREATENS

By JOHN PAGET

(C. N. S. Staff Correspondent)

HARRISBURG, April 5.—A proposed reduction in salary increases provided in the Cordier-Hare teachers' bill today threatened to precipitate a three-cornered battle between administration leaders, Democrats and the measure's sponsors.

After the bill unanimously passed the House, Gov. Edward Martin announced that the bonus classification would have to be reduced. It is now awaiting Senate concurrence.

Republican Representatives Robert J. Cordier, of Lackawanna, and Fred P. Hare, Jr., of Somerset, co-sponsors, said they would oppose "tampering" with the \$200 to \$600 wage boosts which would be paid by July 1, 1944, to more than 61,000 teachers.

Democrats were expected to renew their contention that the salary increases were not sufficient and oppose attempts to lower the "cost of living" wage raises.

The measure's sponsors issued a statement, asserting they would "stand firm" for the House-approved increases and "will not stand for any tampering with the amounts allowed in the bill."

Cordier estimated that the measure would cost approximately \$26,770,000 with 44,486 teachers who are earning \$1000 to \$2000 a year sharing \$21,995,400 and the remainder, who receive \$2,000 to \$3,500 annually, dividing \$4,791,400.

If the administration presses for a reduction in the bonus brackets, the amendments must be approved by the Senate and concurred in by the House. If the House refuses to concur, the proposal would have to go to a conference committee for a compromise.

OPA STRIKES AT BLACK MARKETS IN MEAT PRICES

(Continued From Page One)

op price which she may be charged, maximum prices will exist in all of the 10 pricing zones into which the country is divided.

"With these new ceilings posted at each meat counter or store, every American housewife will know the when she surrenders to her butcher the necessary red stamps from War Ration Book Two," the OPA said.

Hit At Black Markets

"Striking a telling blow at black markets in meat, the new price action—coupled with meat rationing—will make it impossible for black market operators to continue to pose as legitimate retailers.

"In most cases, consumers will find the new ceilings on beef, veal, lamb and mutton less than the prices which they have been paying recently."

For example, throughout the northeast, the highest price on hamburger will be 33 cents a pound, compared with previous consumer prices ranging up to 50 cents, the OPA said. The top price for leg of lamb ranges between zones from 42 to 45 cents a pound, and chuck roast, bone in, from 34 to 37.

The fortifying program replaces the old March, 1942, maximums which OPA found unenforceable and unworkable. Housewives seldom knew the prices which stores charged a year ago and hence had little knowledge of what the ceiling prices were.

The regulation is the first to establish grade prices at the consumer level for meats. Most meat in retail stores will be marked with either the grade mark of the agriculture department or the OPA grade letter (A, B, C, etc.).

Only on portions where the whole grade mark never has been placed—such as inside cuts—will the consumer fail to note a grade mark. On this score, however, the housewife will be protected by noting the selling price and comparing it with the grade prices on the official OPA price list.

Specific cents-per-pound ceilings are established for 102 cuts of beef, veal, lamb and mutton in five officially established grades. In general, the higher prices are in zones farther removed from principal production areas.

The total eclipse of the sun that will be visible in the United States up to the year 2000 will be on July 9, 1945; June 30, 1954; October 2, 1959; July 20, 1963; March 7, 1970; and February 26, 1979.

Deaths of the Day

Charles D. Gill

Charles D. Gill, aged 67, of Slippery Rock, R. D., died this morning at 3 o'clock at the home of his son, Frank Gill, Slippery Rock. Mr. Gill, who had been in ill health for about two years, had just sold his farm and was moving into town.

He was a member of Slippery Rock United Presbyterian church.

Survivors are his wife, Ida Glenn Gill; one daughter, Mrs. Robert L. Erwin, Jr., of Glenshaw; three sons, Ross, Jr., of Lebanon, Pa.; and Frank, of Slippery Rock; two sisters, Mrs. J. P. Breuninger, of Ellwood City, and Mrs. J. O. Brown, of New Castle, R. D., and five grandchildren.

Funeral services have been arranged for Wednesday afternoon at 2 o'clock at the home of his son, Frank, with Rev. A. S. Fleming, a former pastor of Slippery Rock U. P. church, in charge. Interment will be in Slippery Rock cemetery.

Mrs. Ralph T. Miles

After an illness of about two weeks, Mrs. Little Mae Miles, aged 28, wife of Ralph T. Miles, 23 Fulton street, died Sunday morning at 1:13 o'clock in the New Castle hospital.

A resident of this city for seven years, Mrs. Miles was born in Jeanette, Pa., on May 6, 1914, a daughter of Charles F. and Edna Stronsneider. She was a member of the Lutheran church.

Councilmen Pay Tribute To Late Chas. H. Young

Council met today in the city building and after disposing of the most important business, adjourned out of respect to the memory of the late Attorney Charles H. Young who died Saturday.

A resolution which was passed stated that the late attorney had served as a district attorney honestly and fearlessly, also as a member of the Public Utilities commission and as school board solicitor.

It stated that he had been prominent in the political and civic life of this community and always had been a patriotic, Christian, loyal and patriotic citizen.

"Council now adjourns out of respect to his memory."

were artillery exchanges by both sides, and Axis motor transport and infantry were "severely handled," it was said.

The Algiers radio said the Americans were continuing to advance over difficult country east of El Guettar. Two German counter-attacks in the Pichon region in the center were repulsed, it was said.

Steady U. S. Advance

The steady advance on the Second American Army Corps down the Gafsa-Gabes road was accompanied by increased patrol activity against the Germans on the coast road north of Gabes by Britain's Eighth Army.

Allied columns some 200 miles to the north pressed a two-pronged drive against the forces of German Col. Gen. Dietrich Von Arnim. French Moroccan Goumiers occupied Cap Serrat, on the Mediterranean coast 35 miles from the naval base of Bizerte while Lieut. Gen. Kenneth A. N. Anderson's British First Army pushing east from Sedjenane made additional progress.

Large Attack

(A dispatch to the Field Express described the latest push by the Americans down the Gafsa-Gabes road as a "big attack." It said that the Germans were making powerful counter-thrust in an attempt to impede the Americans but that Gen. Patton's troops were gaining steadily. Strong artillery batteries are supporting punishing assaults by American Tommy-gunners and grenade throwers, it was added.

The heavy patrol activity along the coast road north of Oudjed, 12 miles above Gabes, indicated preparations by Gen. Sir Bernard L. Montgomery's Eighth Army for a strong blow against newly-built Afrika-Korps defenses. Field Marshal Erwin Rommel's army which was driven from the March Line is dug in along the dry creek bed around Oued El Aka Rii.

Ranging 1100 miles across the water on Friday, Saturday and Sunday, MacArthur's army crushed this latest threat to Allied positions on New Guinea without losing a single plane.

Cruisers and Destroyers Sunk

Two Jap cruisers and a large destroyer were listed as definitely sunk. Severely damaged were one light cruiser or destroyer, three destroyers and five merchantmen totaling 36,000 tons.

The two cruisers and the large destroyer were sunk in Saturday's attack in which at least two other warships were damaged. A communiqué today said that in Sunday's assault, direct hits were scored on three and possibly four vessels, including a light cruiser or destroyer.

Other Ships Damaged

In addition to the 12 enemy ships destroyed or damaged, three additional Jap destroyers and one 8,000-ton cargo ship were attacked and possibly damaged but "accurate observations of results was not obtained," said the communiqué.

The enemy's naval concentration at Kavieng originally estimated at 13 ships, now has been completely destroyed or dispersed," the communiqué declared, "and the Kavieng battle, which commenced April 2 and extended through April 3 and 4, can be regarded as completed."

The raids were made by ten forts Friday and eight on each of the two succeeding days. All planes returned, although some were damaged.

JANE YOUNG BRIDE OF VAUGHN RICHARDSON

Dr. and Mrs. E. L. Young of East Washington street announce the marriage of their daughter, Jane, to Vaughn Richardson, son of Mr. and Mrs. John Richardson of Newville, Pa., the ceremony having taken place on Saturday evening, April 3.

The Rev. Robert C. Benner, pastor of the Salem Lutheran church of Oberlin, Pa., officiated. They were unattended.

For her marriage, the bride chose a navy blue dress with white accessories, complemented with a shoulder corsage of sweetpeas.

The couple left immediately following on a few days wedding trip to Washington, D. C., and other points of interest.

The bride is a teacher in the Mahoning school, and the bridegroom expects to leave on April 10 to serve in the U. S. armed forces, upon their return here.

M. and N. C. Club

Mrs. Carrie Calvert, North Cedar street, was hostess to members of the M. and N. C. club and several special guests in her home on a recent evening.

Following an informal social period they planned to meet again on April 15 with Mrs. Mary Cox, North Cedar street.

Needlecraft Club

Westside Needlecraft club members will meet Tuesday noon in the home of Mrs. George E. Jackson, 26 Round street.

LANGLANDS-SENITZ CEREMONY SOLEMNIZED

The marriage of Miss Helen Langlands, daughter of Mr. and Mrs. Arthur E. Langlands, of Beckford street, to Lemuel Elsworth Sinitz, Jr., of Grant street, this city also, son of Mr. and Mrs. Lemuel Sinitz, of York, Pa., was impressively solemnized on Friday evening, April 2, in the First United Presbyterian church, on Clemmore boulevard and Albert street, in the presence of the immediate families and friends.

The pastor, Dr. S. E. Irvine, officiated with the double ring service at 7:30 o'clock.

The bride, becomingly gowned in an ice blue street length dress with white accessories and shoulder corsage of white gardenias and sweetpeas, was given in marriage by her father.

Mr. and Mrs. Francis Johnson, of Niles, O., were their only attendants. As matron of honor the latter chose a shell pink crepe dress, street length, with complementary accessories. Her shoulder bouquet was made up of pink roses.

Immediately following a wedding dinner was served at a tea room downtown to members of the immediate families.

Mr. and Mrs. Sinitz are now on a few days wedding trip, and upon their return will take up residence in their newly furnished apartment on Almira avenue. He is employed at the American Cyanamid Chemical company of this city as a chemist.

D. A. R. CHAPTER HEARS ABOUT RED CROSS WORK

Lawrence chapter of the Daughters of the American Revolution met Saturday afternoon, April 3, at the Y. W. C. A. with Mrs. Wyatt R. Campbell as hostess.

During a business meeting, over which Mrs. W. W. Campbell, regent, presided, reports were made, including one on the current facts collection. It was pointed out that Pennsylvania is lagging in this phase of the war effort. A message from President General Mrs. William H. Pooch was read by Miss Gevion Stevenson.

Mrs. John Elliott, director of Volunteer Services of the local Red Cross, speaker of the afternoon, was introduced by Mrs. E. J. Blanning. Mrs. Elliott gave an instructional review of the American Red Cross and its activities.

Associate hostesses for the afternoon were Mrs. F. G. Simonton, Mrs. Clair A. Cook, Mrs. Orvel G. Crooks, Mrs. George Atkinson, Miss Sarah Wallace, Miss Viola Wallace, and Mrs. Lawrence Byers.

The chapter will meet May 1 at the Y. W. C. A. when the Misses Gevion and Annah Stevenson will be the hostesses.

JOINT HOSTESSES TO VICTORY BIBLE CLASS

Catholic Women Have Day Of Recollection

Lawrence County Sodality Attend Impressive Services Sunday At St. Mary's

Impressive and beautiful services were conducted Sunday at the Day of Recollection, sponsored by the Lawrence County Union of Sodality, with Sodality members from approximately 18-19 parishes taking part, in St. Mary's church, from 1 to 5 o'clock. Ferns and flowers embanked the altars.

Rev. Fr. Leo S. Watterson, director of the Union, gave the welcoming address, and Rev. Fr. Francis P. King was moderator for the Day of Recollection. Father King preached three sermons during the course of the afternoon, "Why I Am A Catholic," "Judgment," and "To Jesus Through Mary." His messages were inspiring and well received by the young Catholic women.

The Way of the Cross was conducted during services by Rev. Fr. Charles D. Galati, of St. Lawrence's church, Hillsville, and Rev. Fr. John M. Unger, of St. Joseph's church, Rev. Fr. Edmund F. Rowan, of St. Monica's church, Wampum, chanted the litany of the saints, and the rosary. The congregation gave the response.

From 4 to 5 o'clock, Holy Hour was held, Rev. Fr. Francis M. McCarter, pastor of St. Mary's being the celebrant. Rev. Fr. Joseph A. Young, of St. Anthony's church, Bensenville, and Rev. Fr. V. V. Stanciewicz, SS Philip and James church, sub-deacon; Rev. Fr. Albert M. Inteso, of St. Vitus church, master of ceremonies; and lecturer, Rev. Fr. Francis P. King. Other local priests assisting in the sanctuary were Rev. Fr. William M. Pisarcik, pastor of St. Michael's church, Rev. Fr. Elias G. Nader, pastor of St. John the Baptist church, and Rev. Fr. James Kierman, pastor of St. Margaret's church.

The St. Mary's senior choir and concert choir provided appropriate music of the afternoon, with Frank Gribben at the organ. Benediction of the Blessed Sacrament, and the Recessional brought the services to a close.

Closing remarks were made by Father Watterson who thanked the Sodality for their attendance, and also gave due recognition to Father King, for the excellent manner which he conducted the Day of Recollection. The young women attended evening services in their respective churches, where in the morning they received holy communion at the Holy Mass.

Most Of Physically Fit In 3-A Draft To Be Inducted

(International News Service)

WASHINGTON, April 5.—Fourteen out of every 16 physically fit men now in class 3-A in the draft will be inducted into the armed forces regardless of the number of children in their families, it was learned today.

This was the situation confronting millions of homes in the nation as state draft directors from throughout the country converged on Washington for a meeting tomorrow.

According to draft officials, there are about 7,000,000 to 8,000,000 married men now in 3-A. Many will be rejected because of physical defects but 14 out of every 16 of the others who can pass physical examination will be called to the colors, it was estimated.

Amazing results in building STURDY BODIES!

1—Promote the flow of vital digestive juices in the stomach

2—Energize your body with RICH, RED BLOOD!

YOUNG people, especially those of grammar and high school age, are prone to be deficient in stomach digestive juices and red-blood.

A growing person who is operating on a 65 to 70% healthy blood volume or a stomach digestive capacity of only 50 to 60% is severely handicapped. In such cases Nature needs extra help. Organic troubles or focal infection, if they exist, must be corrected. Tissue foods must be digested and rich, red-blood must be present to build sturdy bodies, build-up blood strength when deficient, and to promote those stomach juices which digest the food so the body can make proper use of it in tissue building and repair.

These two important results enable Nature intended. Thus you may gain energy, mental alertness, body

Meat 'Point Wars' In Pittsburgh Are Questioned By OPA

(International News Service)

PITTSBURGH, April 5.—Pittsburgh district meat retailers today faced an OPA inquiry for allegedly engaging in "point wars" to lure customers.

Investigators for the local OPA office said they observed "dozens of butchers" voluntarily reducing the point values on thousands of pounds of fresh and processed meats sold over the week-end.

The agents added that "point bargains" were springing up in the city where formerly price cutting was the fashion, the butchers selling their wares to eager customers at point values far below those set by the government.

Spokesmen for the OPA said the retailers would be required to prove that the reductions were necessary to prevent imminent meat spoilage or face prosecution.

Nazi Atrocities Not Doubted By Former Prisoner

(International News Service)

PITTSBURGH, April 5.—People who live in German concentration camps "don't doubt" the stories of Nazi atrocities, according to Ruth Mitchell, sister of the late General "Billy" Mitchell, and the only woman ever to become a member of the feared Serbian Chetniks.

Addressing more than 500 members of the Serb National Federation here last night, she said: "And others who look with doubt easily change their minds. If they were ever obliged to spend time in a German prison camp."

Miss Mitchell revealed that since joining the Serb guerrilla band in November, 1940, she had been imprisoned 11 times—five times in the Balkans and six in Germany. She was finally repatriated on the exchange ship Drottlingham.

Week end guests of Mr. and Mrs. Joseph Burnside were their daughter and family, Mr. and Mrs. Henry Croyle and children of Clairton.

A number of the Presbyterian ladies met for the April meeting of the Ellen Bell Missionary society last Thursday at the home of Mrs. Gladys McConnell. There was a delicious tureen dinner at noon and much of the time was spent in quilting. Devotions were conducted by Mrs. Ellen Bell of Ellwood City. Mrs. Pearl Byers gave a very interesting report of the Presbyterian. The next meeting will be held on May 6 at the home of Mrs. Pearl Byers, who is also leader for May.

To the users of Nestlé's Every Day Brand Evaporated Milk

For many years you have been able to enjoy not only the fine quality of this superior product, but in addition you have been able to exchange Every Day Brand Coupons for a wide assortment of attractive premiums.

As you know, the War Program has made many changes necessary. Such items as aluminum, silverware, electrical goods and many others made from critical materials are no longer available, and in our case we are faced with the fact that many of the manufacturers of our premiums are now making war materials.

We regret that this situation makes it impossible to continue offering our customers a choice of desirable, worthwhile premiums, and rather than limit them to a small selection of relatively undesirable premiums, we have decided for the duration at least, to suspend the Every Day Brand Premium Plan.

Redemption service at our premium agencies will be discontinued on May 15, 1943

Please go to your nearest premium redemption agency and redeem all your Every Day Brand coupons as soon as possible.

We are confident you will understand the reasons for this decision. We hope we may continue to enjoy your patronage and give you our pledge that NESTLÉ'S EVERY DAY BRAND Evaporated Milk will continue to give you extra dividends in quality.

Anti-Soviet Talk Axis Propaganda Cautions Berle

(International News Service)
READING, Pa., April 5.—Adolf A. Berle, assistant secretary of state, today called for post-war cooperation with Soviet Russia, maintaining that anti-Soviet talk was Axis propaganda.
Addressing the Reading Rotary club, Berle said that Russia "will not, in our judgment, become the victim of any urged to seize great additions to her already huge empire," explaining that she would be busy "rebuilding her own country."
Berle said that the Nazi and Japanese war lords have already lost faith in their ability to win a military victory, but hope to escape "stern justice" by dividing the "freedom-loving countries and so achieving a compromise peace."
He added that one of their methods "is the attempt to create in Britain and in the United States fear of Soviet Russia."

Y.W.C.A. NOTES

GIRL RESERVE NOTES

Thirty girls successfully completed their examination for the child care course which has been held at the Y.W.C.A. for the past six weeks. A closing party will be held at the association on Tuesday, April 6, at 7:30. Certificates will be given to those who have completed the course. Party refreshments are in charge of Shirley Sanfilippo and Gwendolyn Mae Richards, and games are in charge of Bertha Kelford, Harriet Birke and Georgianne Heidish.
The child care course included: games to play with children, stories, handicraft, songs, child behavior and how to discipline and health habits. Mrs. A. B. Anderson and

Miss Ann Quinn were instructors. The course was organized by the Interclub Council for the Girl Reserves.

Sixteen Girl Reserves have qualified to become wearers of Girl Reserve jewelry. These girls have been attending meetings at the Y.W. at which they learned about the Y.W.C.A. and the Girl Reserves, and the meaning of the Girl Reserve symbol. Only girls who can pass certain qualifications and are certified by their club are eligible to become wearers of the jewelry. The following girls will receive their jewelry at a candlelight ceremony to be held in the near future: Shirley Kennedy of Senior No-Ca-Hi; Bernice Szymkowitz, Della Deep, Emogene Ringer, Edith Master, Mary Leone, Ida Conti of Junior No-Ca-Hi; Norma Long, Barbara Woods of Washington Seventh; Ernestine Morrow, Cornelia Bazley of Elm St.; Clarissa Ward, Dorothy Levey of Elm Jr.; Maxine Taylor, Junior No-Ca-Hi; Lois Fredericks, Washington Eighth.
This project was sponsored by Interclub Council.

The regular Interclub Council meeting of Girl Reserves will be held at the Y.W.C.A. on Tuesday, April 6, at 4:30.

REPORT CONFESSION IN HOLDUP-MURDER

(International News Service)
PITTSBURGH, April 5.—Frank Lipscomb, 29, a Negro fugitive from the county workhouse, has confessed to the hold-up murder of John A. Witt, 79-year-old Bruston grocer, on last September 29, city detectives reported today.
The confession was given to Pittsburgh Inspector of Detectives Walter Monaghan, who questioned Lipscomb at the Camden, N. J., jail where he is being held on nine hold-up charges, the detective bureau said.
The railroad crew for 168,000 more men. They have jobs for 84,000, but where can they find 84,000 feather beds for the others?

Resume Parley On Mine Wages

Both Hard And Soft Coal
Negotiations Are Being
Continued In New
York

DR. STEELMAN WILL REJOIN CONFERENCES

NEW YORK, April 5—Wage negotiations between the United Mine Workers of America and operators of both hard and soft coal mines in the nation were to be resumed today, in separate conferences.

Dr. John R. Steelman, director of the United States Conciliation Service, and government expert on coal wage problems, was to rejoin the conferences. Dr. Steelman will meet first with northern soft coal operators and union representatives at the Hotel Baltimore.

The conferences resumed with a little optimism apparent that a settlement of the mine's basic demand for a flat \$2 a day raise would be reached.

In some quarters it was felt that a compromise might be reached allowing the soft coal miners a pay boost of \$1.83 a day. The increase would be provided by computation of a miner's time under the "portal-to-portal" basis. This system of pay, proposed by the miners in addition to the \$2 flat raise, would compute a miner's pay from the time he reached the mine property to the time he left. Under the present system a miner is paid on "face-to-face" basis or when he reaches the actual place in the mine, where he is to work. The "portal-to-portal" pay system would give the miners from one to two hours extra pay a day, the operators said.

Northern bituminous operators were said to be inclined to con-

sider the "portal-to-portal" pay basis but southern mine operators were definitely against it.

The southern mine operators, under the leadership of Edward R. Burke, president of the Southern Coal Producers Association, meanwhile were reported active in a move to have the National War Labor Board take over the whole dispute at once.

The War Labor Board itself, it was reported, favored stepping into the controversy at once but Secretary of Labor Frances Perkins opposed action by the board until Dr. Steelman has had time to negotiate.

Dr. Steelman was chiefly responsible for bringing about an agreement in the soft coal industry in 1941.

John L. Lewis, president of the mine union expressed no comment when told the Labor Board was considering immediate action. Lewis has termed the Labor Board as a court "packed against labor" and has indicated he would refuse to appear before it.

As chief interest centered on the dispute in the soft coal fields, the antiraid mine operators and union representatives have scheduled to meet Tuesday behind closed doors at the Hotel Waldorf-Astoria to continue their negotiations.

Congregation Aids Red Cross Fund

St. John The Baptist Congregation Adds \$81 To Fund Sunday Night

Eighty-one dollars was added to the American Red Cross drive total Sunday night when a special meeting was held by the congregation of the church of St. John the Baptist, on the South Side. The meeting was to make a formal turnover of the money to the Red Cross.

John Habib, president of the congregation, presided at the meeting and called upon Rev. Fr. Elias Nader, pastor of the church, for remarks. Fr. Nader concluded by turning over the \$81 to Ross D. Rosenberger. Brief remarks were made by Bart Richards and M. B. Kilnesmith.

The congregation of St. John the Baptist is a small one, their being but 42 families in the church. With-out exception they have made contributions to the Red Cross through their places of employment, but they wanted to contribute also as a church. The committee in charge of the solicitation was composed of Albert Gabriel, Ross Beshero and Sara Gabriel. The members of the congregation recently purchased \$16,900 worth of bonds through the American Lebanese committee.

During the service Sunday night there was an interruption which was a pleasant one. Albert Gabriel was called to his home to answer the telephone call of his son, John, who was calling from Honolulu.

MARTIN TO ADDRESS EASTERN OIL MEET

(International News Service)
PITTSBURGH, April 5—Governor Edward Martin will address the eastern production division of the American Petroleum Institute at the opening of its annual two-day spring conference here Thursday. It was revealed today. He is expected to outline a program for "all-out co-operation to win the war."

Fifth Sunday Contest Results Are Announced

The result of the fifth Sunday of the 4 weeks "Victory" Pre-Easter campaign which is being sponsored by the Lawrence County Sabbath School Association, were close to the previous Sunday—well now in the First, New Castle, Group, there are six Sunday Schools bunched together with but fractions of a percent separating them.

The First Presbyterian Sunday School is still in the lead by .045 over the gaining Third U. P.'s, and that is a very slight lead in any man's language. Following in close order with but a slight difference come the Highland N. P., the First Baptist, the First Methodist and the Second U. P. One extra good Sunday's attendance by any one of the five trailing Sunday Schools would put them in first place, providing, of course, that something would happen to the "first-place" First Presbyterians who have held the lead from the start.

In the Second, New Castle, group the race is close between the Mahoning Methodist and the First U. P.'s, while the same condition exists in the Third, New Castle Group, between the Wesley Methodist and the Mahoning Methodist Presbyterian. In the Fourth, New Castle Group, the North Side Community has the lead and the advantage. The Church attendance was good yesterday for the morning service and the Second U. P. are in the lead. This active Sunday School seems to have an excellent system for inducing Sunday School members to remain for the morning church service. This has been true not only this year, but for the past few years as well.

The Sunday School figures for the districts outside of New Castle were good, and will be published later in the week.

The following are the church and Sunday School attendance figures:

Dollar On Barroom Floor Brings Death To Paroled Convict

Fatal Brain Hemorrhage Follows Fight Over Possession Of Dollar

(International News Service)
PITTSBURGH, April 5—An argument over the ownership of a dollar bill, picked up from the floor of a tavern in McKees Rocks, today resulted in the death of Randolph Evans, 29-year-old paroled Sing Sing convict.

Police said Evans collapsed in his cell in McKees Rocks police station from a brain hemorrhage and died before aid could be summoned.

Evans and his common-law wife, Isabel Zanos, Earl Colbeck, 23, of McKees Rocks, and the latter's wife, Katie, 23, went out on a drinking party Saturday night, according to county detectives, which was climaxed by a fight between Evans

and Colbeck over possession of the dollar bill found on the barroom floor.

The quartet was arrested for disturbing the peace and taken to the police station, where Evans died later.

Colbeck is being held in county jail pending an investigation into the death, and the Zanos woman was held as a material witness. Evans served 22 months in Sing Sing for forgery and was paroled in 1941.

BEGIN ROUND-UP OF STRAY DOGS IN PITTSBURGH

(International News Service)
PITTSBURGH, April 5—An intensive roundup of stray dogs in the city was initiated today under the direction of Safety Director George E. A. Fairley to reduce fears of a rabies epidemic in Pittsburgh. Fairley reported that 31 rabies were found here during the month of March, a record-breaking number.

Meanwhile, a nation-wide search continued for the soldier bitten in downtown Pittsburgh last Tuesday by a rabid dog. All army training camps were informed by radio and newspapers to have the victim report for treatment immediately.

HOMEMAKERS—HERE'S EXCITING NEWS!

Starting Today

The Pittsburgh Sun-Telegraph Will Award a

\$2500 War Bond

Every Day

PLUS GRAND AWARD \$100 WAR BOND

For Your Suggested WARTIME MENU

It's Easy to Win

And You Get a New Chance Every Day

JUST FOLLOW THESE SIMPLE RULES!

- Send your suggestion for a day's "WARTIME MENU" to the Wartime Menu Editor, Pittsburgh Sun-Telegraph. For convenience, use the handy entry blank or reasonably exact facsimile that will appear each day in the daily Sun-Telegraph. You may use pen, pencil or type writer. Print your name, address and the date plainly.
- You may submit as many suggestions as you like each day for the period of the contest. Only one award may be won by any one person during each week's period of from Monday to Saturday inclusive.
- Deadline for each day's entries will be noon of following day. If entry is received on day specified, then it automatically becomes placed in following days competition.
- \$2500 War Bond (Maturity Value) will be awarded to best entry each day, starting with Monday, April 5. Each day's winning menu suggestion will be announced within three days following in a news story in the daily Sun-Telegraph.
- \$100 War Bond (Maturity Value) will be awarded at the conclusion of the month of APRIL for the best day's menu suggestion submitted during the contest period of April 5 to April 30, inclusive.
- The judges will be Anne Sutter, Home Economist of the Duquesne Light Company, Irene McDermott, supervisor of Home Economics, Pittsburgh Board of Public Education, and Prudence Penny, Home Economist, Director of the Pittsburgh Sun-Telegraph. Menus will be judged on nutritional value and balance, economy in food, fuel, and time of preparation, budgeting of ration points, appetizing appeal, simplicity of recipes, variety and texture of dishes, prepared in the home. The judges' decision will be final. No entries will be returned and all become the property of the Pittsburgh Sun-Telegraph. In case of tied duplicate awards will be given.
- Contest open to every one except employees and their families of the Pittsburgh Sun-Telegraph or professional cooks or home economists.

While there's no trick to planning the kind of menus your family likes and needs when you have plenty of good, economical foods available, wartime brings the problems of rationed foods, shortages of required foods, higher prices and a limited selection.

Since it's a problem that you all do face, the Sun-Telegraph is eager to help you, and make it as interesting—and profitable—as possible.

So sharpen up your pencils—put on your "thinking cap"—and send us your wartime menu suggestions! Those received that are considered most practical by the judges will be published in the Sun-Telegraph. And don't forget, you can get a lot of helpful ideas and hints from the articles by Prudence Penny, and other notable cooking and home economic writers, that appear every day in your Sun-Telegraph.

Promises Probe Of Ickes' Office

Congressman Aroused Over Action Taken On Gas Rationing By Petroleum Head

(International News Service)
PITTSBURGH, April 5—A congressional investigation of the "whole office" supervised by Petroleum Co-ordinator Harold L. Ickes was promised today by Representative Samuel L. Weiss, Glassport Democrat, as a result of an Ickes order allotting extra gasoline rations to four Mercer county towns.

"If our gasoline is needed for the war effort, we in Western Pennsylvania will surrender our cars as well as our 'A' cards," Weiss asserted. "But why immunity to West Virginia and several Western Pennsylvania towns?"

The representative said he would demand a congressional inquiry into this particular matter "and the entire office run by Ickes." He added that "what's good for the goose is good for the gander."

Ickes aroused Weiss' resentment by permitting motorists in West Virginia and the Western Pennsylvania towns of Sharon, Sharpsville, Farrell and Wheatland to receive four gallons of gas per "A" card unit instead of the one and a half gallons given to drivers in the rest of Pennsylvania and the eastern seaboard states.

Mayors of 27 Western Pennsylvania towns are scheduled to confer in Pittsburgh with Mayor Cornelius D. Scully this Wednesday to protest the alleged "discrimination."

Pittsburgh district dealers claim Western Pennsylvania's stocks of gasoline on hand at refineries are rising toward new records.

SALARY LOANS

\$25-\$50-\$100 OR MORE
Borrow on your earning ability—No endorsers needed—Pay charges only for the time you have the money

SHORT OF CASH? If you have a steady job, you should investigate Household's salary loan plan. This plan offers a quick, simple way for men and women who are working to borrow at reasonable cost. No endorsers are ever needed. You borrow on your earning ability and willingness to repay. We also make car and furniture loans. Even when making these loans we consider character and regular income more important than the borrower's security.

Choose your own plan
You may repay a loan in a few days or in a number of monthly installments—whichever best suits your needs. Charges are made only for the actual time you have the money. At our rate of 3% per month, a \$25 loan costs

\$1.52 when repaid in three monthly installments, but only 18¢ when repaid at the end of a week. A \$50 loan repaid in four monthly installments of \$13.45 each costs \$3.80—or if repaid in one month costs \$1.50.

Solve money problems here

Getting a loan at Household is a quick, private transaction—we require no endorsers or guarantors. The table below shows many sample monthly payment plans—we can fit our service to your needs. All payments include principal and interest.

You may get a Household loan to pay your doctor or dentist, insurance or taxes, old store bills, repairs, union fees—for almost any purpose. If you need money, phone, write or visit Household Finance.

Officials Refuse To Abandon Hope; Gather For Session

Chicago Confab Will Tell Tale; Executive Committee Meet Today

DRAFT MEETING "TOKEN AFFAIR"

CHICAGO, April 5.—Officials of the National Football League refused to abandon hope today, as the organization's executive committee gathered in Chicago, that all 10 teams would take the field this fall and that the entire schedule would be played.

Football Commissioner Elmer Layden said he did not believe any of the teams would fall out this year, although it was known that several would be glad to quit for the duration because of the drain the military services have made on their personnel, and other wartime difficulties. Prospects for next year were regarded as dubious, with a possibility that the league might suspend then until the end of the war.

Meeting Curtain-Raiser Today's meeting of the executive committee was a curtain-raiser for the three-day annual meeting of the entire league membership which opens tomorrow.

Executive committee members summoned to meet with Commissioner Layden, were co-owner Bert Bell of the Pittsburgh Steelers, Harry Thayer, business manager of the Philadelphia Eagles, representing owner Alexis Thompson, Fred Mandel, owner of the Detroit Lions, and Lieut. Comm. George Halas, owner-coach of the Chicago Bears, who was in town on his first official leave from the navy. The annual draft meeting of the full membership is scheduled for tomorrow and the clubs apparently were ready to go through with it in spite of the fact that it will be large a "token" affair, since many of the men they were already in military service or soon to be called.

Bell's Idea Bert Bell of the Pittsburgh Steelers, has an emergency setup idea whereby the player shortage could be solved to a certain extent. He recommends a war-time consolidation of the Steelers and Phillys in the east and a similar combine of the Cleveland Rams and Chicago Cards in the west.

The plan would cut down transportation as well as bolster both clubs. Pittsburgh's situation, at the present is bleak. Not one signed contract is ready to go through with the club's safe. More than half of the club's squad has joined the armed forces.

CITY-COUNTY LOOP TO MEET TUESDAY

Faster Ball Seen As Big Headache

Pellet Travels Faster And Bounces Higher; Pitchers Gloomy

HITTERS MAY HAVE PICNIC THIS YEAR

(International News Service) NEW YORK, April 5.—A new ball that travels faster and bounces higher than that in use in 1942 promises plenty of trouble for pitchers and fielders in 1943.

This season was figured to be a good one for pitchers, since the exodus of so many of the heavy sluggers into the armed forces, but the new ball has changed all that into a heavy cloud of pessimism. This year's ball has a golf ball core for a center, and takes off like a Grumman fighter.

Bounces Like Rabbit When the Giants were engaging in a recent workout at Lakewood, N. J., Coach Luque was definite in his opinion that the new ball had more bounce than a scared rabbit.

"The new ball travels faster and takes off more than the old one," Luque said. "It smacked out his longest hit with the new ball and Babe Bama was at his best with one. Dick Bartell walloped out a hit that would have been over the roof of the Polo Grounds foul line. Hurter Bill Lohman had his say. "Pitchers are going to have a tough time in 1943," he said. "Those 250 hitters will have to be combed over carefully, because anybody is liable to hit this new ball clear out of the park."

Sluggers Gleeful The sluggers were unusually gleeful about some of their hits. Manager Ott explained he did not know which kind of ball was best for him, but added that he smashed out one hit that was uncommonly long for this stage of the season.

The long, long flies did lend the impression of tremendous heights of flight, and many of the liners seemed to hook sharply leaving the infield.

The Giants still have some of the 1942 balls left in the lockers, and they will continue to use them, mixed with the new, in their work-outs.

Bob Montgomery To Fight Alvarez In Philly Tonight

Philadelphia 3-1 Favorite; Alvarez Has Lost Only Four Times

(International News Service) PHILADELPHIA, April 5.—Bob Montgomery of the Quaker City was a 3-to-1 favorite today to take tonight's 10-round feature bout at the Arena from Denver's Roman Alvarez.

The Bobcat must whip the rugged western lightweight if he is to meet New York's Beau Jack in a bout scheduled for May 21 at the Gardens. Alvarez, who has lost only four decisions in 38 matches, not only predicts a victory for himself tonight, but adds that he will wear the lightweight crown before he goes into the army in mid-summer.

Both fighters will step into the ring at approximately 135 pounds. Montgomery appears to be in the same excellent condition he enjoyed when he whipped Lulu Constantino here a month ago.

Benny Goldberg, southern featherweight from Detroit, faces South America's Jose Domingo Razo in the eight-round semi-windup.

SHARON, Pa.—Soldiers visiting U. S. O. center at Buhl club are permitted to bowl free of charge.

(International News Service) PITTSBURGH, April 5.—Al Davis, "bad boy" welterweight from Brooklyn, will make his Pittsburgh debut at the Gardens next Saturday night in a 10-round bout against Carmen Notch, Promoter Art Rooney said today.

The pair was originally matched here for last January 12 but Davis fell ill a few days before the fight and forced a postponement.

Team Powerful This Norfolk team will lose its effectiveness only when the players who make up the team finally are split apart for active duty, and by that time they may have some equally staunch recruits.

The Norfolk team has fine pitching, an even better infield and beyond that, a still better outfield. The pitching staff includes Charlie Wagner, Red Sox; Tom Earley, Braves; Walter Masterson, Senators; Hugh Casey, Dodgers; and Freddie Hutchinson, Tigers.

Don D'Aggio, Red Sox; Jimmy Gerson, Cubs, and Don Padgett, Dodgers, make up the outfield mainstays.

At first base is Bill Robinson, Cleveland rookie; at second Benny McCoy, of the Athletics; at short Phil Rizzuto, of the Yankees, and Murray Frankin, owned by the Tigers, is at third.

If that team could be assembled outside the service it might do all right in either major league next season.

Wayne Wright hopes to have a mount in the forthcoming Kentucky Derby, but regardless of the horse he rides or where he finishes he won't get the thrill again that came to him last year when he won aboard Shut Out, which ran coupled with Devil Diver, the favorite.

Were Complete Strangers Until derby day Wright had never been aboard Shut Out in a race or even in a workout. He and his mount were complete strangers.

Wright had no idea whether Shut Out liked to run in front or come from behind. All he knew was that Devil Diver was supposed to win—being the hot favorite—and that was good enough until it developed that Shut Out was a contender and from then on Wright was to win.

He flicked Shut Out a couple of times with his bat, began to pick up horses and finally won easily. Devil Diver, which had been selected by Eddie Arcaro as his mount from between the two Greentree entries, finished sixth.

The strangest thing about the fight between Beau Jack, the 22-year-old winner, and Henry Armstrong, the 32-year-old loser, is that the latter was at his best and picking up points at the finish, when Beau Jack was tiring.

There were times earlier in the bout when Armstrong seemed to be weakening from old age. His mouth was wide open and he was gasping. But down through the stretch he began to gather up a third or fourth wind and he finished by taking the 10th round from a weak and dilapidated winner. Class will tell, or something.

January 1 is the official birthday of all race horses. Whirlie, of racing age New Year's Day, is a sister of Whirlaway.

Training Camp Stuff 'n' Things

HAILETT CALLED (International News Service) MUNCIE, Ind., April 5.—The Pittsburgh Pirates today faced the loss of another key player to the draft. This time it was Pitcher Jack Halett, stringbean right-hander from Toronto, who said he had been ordered by his Toledo board to report for a physical examination prior to induction. The cancellation of yesterday's game with the Cleveland Indians gave the Bucs their first day of rest after two and a half weeks of drilling.

DODGERS GET HOLIDAY NEW YORK—After three straight weeks of daily workouts Lappy Dodger today gave his Brooklyn Dodgers a day off with the admonition they must be back at work early tomorrow.

The "Lip" meanwhile muled over yesterday's exhibition game in which the Boston Red Sox beat the Dodgers 5-0 in a contest marked by nine errors, five of them by the winners.

NATS TOP AIR BASE NORFOLK, Va.—The Washington Senators today finish up a series of training games with Norfolk naval trainees, taking on the naval air club which they defeated yesterday 6 to 4. After the Senators piled up a 5-0 lead in the first two innings, the airmen battered Milt Canfield for four runs and threatened to tie the things up. Dutch Leonard then took over and held the airmen to one hit in the last three innings.

WAKEFIELD STAR-GOAT FRENCH LICK, Ind.—The Chicago Cubs came home from Evansville, Ind., today, happy over evening the week-end series with the Detroit Tigers, and Dick Wakefield, Bengal's rookie outfielder, returned to prepare for their third tangle with the Cubs tomorrow. Yesterday's game with the Reds was postponed.

CARDS AIM FOR BROWNS CAIRO, Ill.—Intensive workouts were in store for the St. Louis Cardinals today in preparation for the spring series with the Browns in St. Louis April 10. The champions finished their last intra-squad exhibition game Wednesday with a sixth inning uprising of three triples and a homer by Walker Cooper, catcher.

White Sox Lose In the other end of the French Lick camp, the Chicago White Sox, losing an 11-inning practice game to the Cincinnati Reds at Louisville, Ky., Saturday, returned to prepare for their third tangle with the Cubs tomorrow. Yesterday's game with the Reds was postponed.

FAIR OR FOUL By LAWTON CARVER INS Sports Editor NEW YORK, April 5.—The war is making strange bed-fellows of baseball players, and everything gets so mixed up that Yankees and Dodgers and Cardinals and Red Sox are all playing along together, and finally they come up with one of the best baseball teams of the year. This one is the team representing the Norfolk Naval training base.

In their opening game, the Norfolk boys knocked off the Washington Senators 10 to 5 and they have showed no signs of letting up, meaning that this particular victory was no fluke. They plan to keep on winning.

Babe Herman Now Coaching On Coast

Signed As Co-Pilot Of Hollywood; One Of Game's Oddest Characters

(International News Service) NEW YORK, April 5.—Floyd (Babe) Herman, recently signed as co-manager of the Hollywood club of the Pacific Coast league, is one of the oddest characters in baseball today.

Babe was once with the Dodgers when they were popularly known as the Daffiness Boys. This was during the regime of the late Wilber Robinson, and Babe delighted in tormenting Robbie, his fellow players or the fans with his antics.

Dodger In 1926 Babe hooked up with the Dodgers in 1926 and started on a Brooklyn career that lasted six years. At one time, the Dodgers were in a slump. They passed each other when they were running the bases, forgot to touch the sacks of if they were lucky enough to get that near them, and, in general, it was a typical Brooklyn season. Babe was asked to assist in doping out a way to put more punch into the lineup.

He did by shifting the boys around and placing himself in the cleanup position. Curiously enough, it worked and the Dodgers managed to romp out of the bad streak.

When the Dodgers were at the plate, Babe, waiting for his turn at bat, insisted on sitting next to Robbie to discuss various stages of the game and other players never had a chance to squeeze in even the merest suggestion. One afternoon, a Del Bissonette and Dazzy Vance, decided to alter the situation.

Could Slam Ball When the Babe came loping in from his spot in right field to the bench, he found his mates huddled around Robbie. Babe never said a word, but found a seat on the bench that was far removed from his manager's side. He sat down gazed venomously upon the huddled players and sneered "Wise guys!"

Herman wasn't a scientific hitter, but he could slam the ball and, starting in 1926, he led his team in batting for three consecutive seasons. His biggest year was 1930, when he batted a hot .393 and whacked out 35 home runs.

Tire Inspection Is Necessary To Wartime Program

Tire Replacements, Extra Gasoline Depend On Tire Inspection Results

Tire inspection may have been overlooked by many in the first inspection period, which ended March 31 for "A" motorists. It is important not only as a means of rubber conservation but as a check on gasoline consumption. The Pittsburgh Office of Price Administration warns that those who failed to have tires inspected will face ration board penalties when they apply for tire replacements or extra gasoline in the future.

For "B" motorists the second tire inspection period ends June 30, but 60 days must intervene between inspections. "C" motorists' second period ends May 31, and 45 days must have elapsed since the last inspection. Truck tires must be inspected every 60 days, or 5,000 miles.

(International News Service)
NEW YORK, April 5.—The United States Air Forces in China now have air bases within bombing range of Tokyo, according to a communication from Gen. William Stillwell, commander of the Allied forces in China.

This revelation, the first of its nature, was broadcast by London radio. The London broadcast was recorded in New York at the CBS short-wave listening station.

Shipyards Deliver 146 Ships In March

(International News Service)
WASHINGTON, April 5.—The Maritime Commission announced Saturday that American shipyards smashed all previous records during March by delivering 146 vessels, totaling 1,516,000 tons.

March output corresponded to a rate of more than 18,000,000 tons of shipping annually, the commission said. March deliveries were at the rate of five ships a day, the production schedule that was not called for until May.

Health Talks By Dr. W. A. Wozner

City Health Superintendent

SOY BEANS
Meat, milk and eggs are perhaps our best sources of protein. A person needs about an eighth of a pound of protein a day.

That does not mean that two ounces of meat will do the trick. Meat is not pure protein. The different kinds of meat are about 20 per cent protein. Fish is a little higher.

Soy beans are very rich in protein. They may be used as a substitute for meat. They are very rich in fat too.

They taste about like other beans. You probably prefer beef steak or ham, but maybe we cannot have all we want.

By cooking soy beans in different ways we can make out pretty well in a pinch.

Soy bean flour has about the same amount of fat as pre-fabricated has. It has about twice as much protein. It is richer in vitamins and iron.

Perhaps by using a little ingenuity we will get along pretty well while we are winning the war.

Rail Shares Make Vigorous

Rally; Score Leaders

Hit New Peaks

(International News Service)

NEW YORK, April 5.—The stock

market resumed an advance on a

broad front today, paced by a

vigorous rally in rail shares.

Scores of leaders pushed through

to new peaks for the year or longer.

Gains ran to more than a point in

some instances, but fractional im-

provement was the rule.

Continued Allied successes in the

Tunisian campaign and the round-

about bombings of Germany and

occupied countries on the continent

furnished a favorable background

for the market.

Santa Fe, Northern Pacific and

Southern Pacific, each up a point

or more. Pennsylvania, Illinois Cen-

tral, Baltimore & Ohio and Ches-

apeake & Ohio all reached new peaks.

Also in new high ground were U. S.

Steel, Allied Stores, National Dis-

tillers, Houdaille Hershey 'B', Con-

solidated Edison, North American

Co., Public Service of N. J., Western

Union and Schenley.

Schenley spurted 2½ points to

34¼ at one time.

In commodity grains and cotton

futures, around Saturday's final prices.

Bonds were led upward by specu-

lative rail issues.

Affirm Decision

On Stock Dividend

(International News Service)

WASHINGTON, April 5.—The

supreme court, in a 5 to 3 decision

ruling today that a stock dividend

paid in non-voting common stock

to the holder of voting common

stock is not subject to federal tax-

ation.

The ruling, which reaffirms pre-

vious high court holdings on the

exemption of stock dividends from

taxation where interest of the owner

is unchanged, was rendered on ap-

peal of the government.

The case was brought to compel

R. A. Sprague, Oakland, Calif., own-

er of the voting common stock in

Sprague-Reitz company, an Oregon

corporation, to pay taxes on a stock

dividend. Sprague, sole owner of

the common stock, received a 10 per

cent stock dividend in new non-

voting common stock.

A second case, Emil H. Strass-

burger of New York, appeared from

a lower court decision holding that

a stock dividend he received was

taxable.

E. H. Strassburger, Inc., of New

York, issued a stock dividend of

\$3,000 non-voting preferred stock

to him.

ruled that the payment changed the

Another \$49,000
Needed To Start
Building HospitalOver Half Of Necessary Sum
Has Been Raised For Ellwood
City Emergency Hospital

ELLWOOD CITY, April 5.—The Chamber of Commerce hospital committee announced today that individuals who wished to make contributions to the new emergency hospital fund may do so by sending their checks to the Chamber of Commerce. The checks should be made out to R. Charles Stiefel, E. H. Evans and R. B. Luke, trustees. The above mentioned men are the trustees for the hospital trust fund, which is now \$51,000. Another \$49,000 is needed before the actual construction can take place. Bids have already been received and the low bidder will be given the "Go" sign to start construction as soon as the \$49,000 is in sight.

Contributions, which are deductible as a tax item, are welcomed and needed regardless of the amount. Dr. H. E. Helling, chairman of the campaign to raise the hospital, stated that the new beautiful modern hospital would be a real asset to the community and that within three weeks the time the campaign committee expects to have the money raised. Ellwood City needs additional hospital space and not a day should be lost in getting construction started. One major accident in our mills here could not be taken care of at the present hospital due to it being filled to capacity daily. A special committee of the Chamber hospital campaign fund will meet privately with any one requesting more information concerning the hospital trust fund and how it is tax deductible.

Essay Contest
Winners Named

ELLWOOD CITY, April 5.—Winners of the stewardship essay contest conducted by the Pioneer society of the First United Presbyterian church were announced last night at follows:

Group C, girls, Ellen McCaslin, first; Shirley Stroup and Lois McDonald, second.

Group C, boys, Kenneth Bauder, first; and Ralston Warnock, second.

The winning essays will be entered in the Beaver Valley Presbyterian contest, and the Presbyterian winners entered in the national contest. Judges were Mrs. Edward Kerr, Miss Edna King and Mrs. Velma Burnett.

Thirty attended the meeting which was led by Frances Kowalchuk with the topic being, "Preparing for Easter."

Canton Couple
Married Here

ELLWOOD CITY, April 5.—Miss Sarah Jane Beatty and Frank L. Brucker, both of Canton, O., were united in marriage on Sunday afternoon at 1 o'clock at the home of Mr. and Mrs. Ray Stansfield, of Frisco. The bride is a sister of Mrs. Stansfield.

The ceremony was performed by Rev. L. A. Lightfoot, pastor of the Lillyville Church of God. Mrs. Emma McQuiston was a special guest at the wedding.

MONROE, SCHILL
AND HOUK TO BE
AT GAS CONFAE

ELLWOOD CITY, April 5.—Burgess Clyde Houk, Borough Manager Lowell Monroe and Chamber Secretary R. J. Schill will represent Ellwood City at the gasoline confab of city officials of the Western Penna. district on Wednesday afternoon at 2 o'clock at Mayor Scully's office in Pittsburgh.

Local officials received word that the meeting will be of such a nature that petroleum dictator Ickes will be shown where he is wrong in not placing western Penna. in district two. Indications have also been made that the pressure will be put on Ickes in Washington today by Senators and Congressmen.

FRISCO AUXILIARY

ELLWOOD CITY, April 5.—The Ladies' auxiliary of the Franklin Township Fire department will meet on Tuesday night at 6 o'clock at the Frisco hall for a chicken dinner.

Rommel Retreat Due To Massed U. S. Air Power

Heavy Aerial Assault Tuesday Was 'Largest Concentration' Of Present War

(International News Service)
WASHINGTON, April 5.—Massed U. S. air power in North Africa was revealed as the decisive factor in forcing the retreat of Marshal Rommel's Afrika Korps from the Mareth line.

U. S. fighters and medium bombers from the ninth and 12th air force commands united in a smashing, relentless day-long attack last Tuesday with a record-breaking 1,399 sorties against Rommel's fleeing units.

Air corps officials in Washington said the heavy aerial assault was "undoubtedly the largest concentration of air power in any theater during the present war."

Despite low-hanging clouds of sand which prevented high altitude bombing, U. S. aircraft bombed and strafed enemy transports, troops, supply concentrations and airfield in a continuous series of sorties. A sortie is an operational flight by a single plane and gives no indication of the number of planes in use.

With Gen. Sir Bernard L. Montgomery's British eighth army effecting a sweeping pincer movement around the Mareth line and meeting stiff resistance from Rommel's "defense in depth" concentrated U. S. aircraft provided the telling blow in forcing an Axis retreat.

During the March 30 attack, one American plane flew a few feet over a jam of Axis vehicles, firing all of its guns until its ammunition ran out. Aircraft participating in the same mission were credited with destroying or damaging 250 vehicles.

VIEWERS AWARD DAMAGES

Damages of \$1,830 were awarded to M. J. Scanlon for damage to his property on Montgomery avenue by the Board of Viewers after taking testimony. The City of New Castle is assessed the damages. Sometime ago improvements were made on Montgomery avenue and he claimed damages. It was agreed to let the county Board of Viewers assess the damages, with the city paying them.

TIME EXPIRED

The fifteen day time limit for an answer to the preliminary injunction granted to D. O. Davies and Presley N. Jones against L. C. Miller and George Poli having expired, the injunction will now be made final. A little testimony was taken at the final hearing with Attorney Gilbert E. Long testifying He said that unpaid bills from the recent circus held for the New

Castle Council of Defense totalled \$11,414. He also testified that on the Friday of the week the show played here the actors were given \$500 and an agreement made to give them sixty per cent of the Saturday receipts, this being about \$300. The injunction is in reality a judgment against Miller and Poli for the purpose of getting an accounting of the moneys expended by them while the circus played here.

'Prevent Strikes By Removing Cause' Advises Economist

(Special To The News)

STATE COLLEGE, Pa., April 5.—"Prevent strikes by removing the cause," Professor Arthur H. Reede, Pennsylvania State College economist said today in outlining two methods for reducing the number of strikes.

Legal sanction for the activities of the National War Labor Board would help materially, Professor Reede believes. "If the Board reaches a decision on the impending mining strike, there is at present no way in which that decision can be enforced," he said.

Careful attention should also be given to the machinery of industrial peace. Sand may be thrown in the gears by dictatorial methods of both labor and management, by management procrastination, and by laxity of discipline exhibited by unions, the economist said.

Legislation outlawing strikes has not proved serviceable in Britain and probably would work no better here, England, which has forbidden strikes during the war, had more difficulty in 1941 and 1942 than we have had in this country, Reede said.

OCD NOTES

Activities Of OCD Workers Are Outlined Here

Funds for the payment of medical expenses and compensation benefits to civilian defense workers and assistance to civilians injured or wounded during enemy attacks are furnished by the national Social Security board of which the Lawrence County Public Welfare board is its agent. The local head is John Brinton. The local board will act after authorized persons of the local OCD give approval to requests for such aid. So far no requests have been made here yet according to Sargent.

Orders were issued today that members in all branches of the OCD should carry their credentials at all times.

Some senior wardens have not called for the new rules and regulations booklet. They should do so immediately, according to the OCD.

Victory Garden Notes

(By LEWIS C. DAYTON)
(County Farm Agent)

SOWING GARDEN SEEDS

Good garden seed must be alive, true to variety name, productive, well selected and free from weed seed or disease contamination. Many disappointments and serious losses have resulted from planting inferior seed. The buying of cheap seed is false economy. Good seed is never cheap because its production is too costly.

There need be no doubt as to whether seed is alive or viable. A simple test may be made by counting 20 to 100 seeds, placing them between moist cloths or blotters in a shallow dish and covering with another dish. If kept warm and moist for a few days, the viable seeds will sprout and the percentage of germination can be determined.

The exact date of sowing in the open will depend upon the prevailing weather and the amount of moisture in the soil. It is unwise to sow in cold, wet soil, as well as

in hot, dry soil. A heavy rainfall just after sowing is unfortunate for it may form a crust on the surface through which seedlings may grow with difficulty.

The soil in which the seeds are sown should be fine but firm enough to permit moisture to move upward to the seeds. The depth to which the seed should be planted depends on the kind of seed, the soil and the season. Generally, the smaller the seed the more shallow it is covered, but all seeds are planted less deeply in early spring than later in the

season, and likewise more shallow in heavy soils than in sandy ground. Definite suggestions for each kind of seed are available.

Before beginning to plant, it is advisable to drive short stakes along both sides of the garden, marking the ends of each row according to the previously constructed plan. Straight rows can be made by stretching a line tightly six to eight inches above the surface of the ground between two stakes. The furrows may then be opened and the seeds sown directly under the line without moving it. Very shallow furrows may be opened with the end of a hoe handle, deeper furrows by pulling a corner of the hoe along the string.

A most convenient and rapid method of planting seeds is provided in an ordinary envelope sealed and cut across one end. Sowing in excess of the amount required for a good stand of plants is bad practice. After the seeds have been covered to the proper depth with fine, moist soil, it is very important to firm the covering to hasten germination. In the spring, and when the soil is quite moist, tamping lightly with the back of the hoe is sufficient. Later in the season, especially in dry weather, to secure quick germination it is necessary to walk over the row, placing one foot just ahead of the other to firm the soil about the seeds.

Warns Older People About Gardening

(International News Service)
PELHAM MANOR, N. Y. — A warning to older people "to go easy on Victory gardening," was sounded today by Dr. Amos A. Squire, Westchester county medical examiner. "Older people must go easy with this Victory gardening, it may furnish them," Dr. Squire said. His warning was made following investigation into the sudden death of Carl Roth, 47, who died of a heart attack while digging in a Victory garden.
